At either end of the table were lifelike turkeys fashioned of pine cones and the places were marked with nut cups in the shape of turkeys. This carried out the Thanksgiving motif. ## Federal Funds Allocated For Lunch Room Equipment

Jackson, Miss., Nov. 16 (Special)—Instructors are going out this week to school superintendents advising them on making applications for purchasing school lunchroom equipment, according to J. M. Tubb, State Superintendent of Education, Mississippi. Federal Funds for this purpose, Mr. Tubb states that a formula has been worked out providing a minimum ceiling of \$250.00 for each school operating a School Lunch Program with Federal assistance. As the per capita participation increases the school's allotment increases.

Mr. Tubb advises that the following items of School Lunchroom equipment may be purchased in 1946-47 school session upon which purchases reimbursement may be made: hot water heaters, ranges, steam cookers, bake ovens, pressure cookers, refrigerators, sinks, stock pots, baking pans, sauce pans, garbage cans, dishes, including the usual lists, and silverware. This is a broad list from which choices may be made.

An application form is being sent to school superintendents upon which a formal application for funds may be made. Items of equipment needed will be listed and an approval, made of application prior to purchase. When purchase has been made the claim will be made upon original or certified copy of invoice, contract or other evidence of purchase cost and delivery. Retroactive agreements are not permitted in equipment purchases.

## ARMY TALK

Since making inquiry as to the homeplace of the elusive "Kilroy," we have had quite a number of replies from persons laying claim to knowledge of his native habitat. Some of these replies could be true, but most are purely imaginative. We are now engaged in weeding out the best for reproduction in ARMY TALK. In the meanwhile, if there is anyone in Bay St. Louis who has not sent us the information we seek and who knows absolutely where Kilroy came from, get it in the mails to us right away.

Turkey and all the trimmings with a few extras thrown in for good measure awaits the soldier who will sit down for an Army Thanksgiving Dinner. The menu is worldwide and fellows all over the world will have the same fare. Housewives in Hancock County have only to copy the published menu in order to place a well-balanced and delicious meal before their families on the 1946 day of Thanksgiving.

Each year the children bring voluntary contributions for the Thanksgiving baskets. On Wednesday afternoon a number of the High School girls returned to the convent to help arrange and distribute these baskets to many needy families of the community.

## Mississippi National Guard Pay To Total Over Million Dollars

The Office of the Adjutant General Jackson, Mississippi, state that when all Mississippi National Guard organizations have recruited full strength the aggregate sum to be received in the State of Mississippi by all National Guard units will total in excess of a million dollars. This estimate includes drill and field training pay and salaries of caretakers and other National Guard personnel.

The average unit will bring into the State around twenty thousand dollars per year in drill and field training pay. Total pay received by an individual unit, however, will depend upon the table of authorized strength and ratings.

Approximately 150 full-time federal employees will be used in administration of the Mississippi National Guard when all units have been organized.

## Chancery Clerks of Mississippi Commended For Service to Veterans

Jackson—The Chancery Clerks of the State of Mississippi have been rendering a valuable service to former servicemen and women—the recording of discharges, service certificates, separation qualification records and the furnishing of certified copies—all free of charge.

The Jackson Veterans Administration Regional Office has found that, in all except the rarest instances, the Chancery Clerks have gladly, generously and patiently recorded, free of charge, thousands of documents for Mississippi veterans and issued certified copies as requested, Robert R. Dinsmore, VA Chief Attorney, stated today. These officials have performed their duty as outlined by State law and rendered, perhaps more than any other group in the state, every possible service and courtesy to thousands of veterans he said.

The Veterans Administration, in gratitude for the splendid service rendered by the Chancery Clerks of the State, Mr. Dinsmore said, urges all servicemen and women to be considerate of these friends of the veteran. Remember, he said, that the furnishing of unnecessary certified copies of documents works a hardship on the Chancery Clerk and all the people in his office—don't ask for more copies than you need and take care of those you have.

## David Robert Weston Of Logtown Dies at Touro Infirmary in New Orleans

David Robert Weston died at the Touro Infirmary in New Orleans, on Monday, November 25 at 1:15 p. m. Mr. Weston's health had not been the best but his condition was not considered alarming until last week when he was taken to Touro. He was 72 years of age and was the last of the six sons of the late Henry Weston who came to Logtown from Maine 87 years ago and who was one of the builders of Logtown and founder of the Weston Lumber Company and of which Mr. Weston was vice president.

Mr. Weston was interested in forest preservation and was instrumental in instituting his company's reforestation program which has been described as among the finest in the South.

He was president of the Weston Sand and Gravel Company and vice president of the Riviera Land and Improvement Company, both of Logtown. He was a member of the Diocese of F. and A. M., Knight Templars, Scottish Rite and Shriners, and he was past patron of the Order of Eastern Star. He was a member of the Methodist church and was superintendent of the Sunday School for twenty years.

His funeral was held from his Logtown home on Tuesday afternoon at 4 o'clock with the rites of the Methodist Church conducted by Rev. W. B. Jones pastor of Logtown church, Rev. Sales of Picayune, and Rev. Cube Rousseau, Houma, La., officiating. Interment was in Logtown cemetery.

## Army Menu For Thanksgiving

If your son, brother, husband, cousin or friend is stationed at any Army post, camp or station in the Third Army Area don't worry about him on Thanksgiving because he's going to eat—and plenty.

True to Army tradition that its men must have turkey and lots of it—100 pounds of dressed turkey per 100 men—on Thanksgiving, the mess sergeants cooks and KPs are giving the menu for the festive day the once over and that menu calls for not only turkey, but all the trimmings, according to Colonel Matthew H. James, Quartermaster of the Seventh Army.

The boys will not do so badly for breakfast on November 28, with tomato juice, assorted dry cereal, fresh milk, scrambled eggs, toast, butter, marmalade and coffee. For supper—

if they are still in the eating mood—they'll have lima bean soup, leftover turkey, cheese slices, leftover vegetables, leftover relishes, bread, butter, peaches, tea and peanut butter.

But for the meal of all meals in American life that Thanksgiving dinner, here's what they'll have:

Celery	Pickles	Olive
Roast Turkey	Giblet Gravy	
Dressing	Cranberry Sauce	
Crashed Potatoes		
Green Peas	Stewed Corn	
Lettuce Wedges		
Thousand Island Dressing	Butter	
Hot Rolls	Apples	
Oranges	Pumpkin Pie	
Raisins	Salted Nuts	
Coffee		

## Special Observance At Methodist Church

Methodist of Bay St. Louis will observe next Sunday, December 2, as both Pledge Day and Communion Sunday.

"It is most appropriate that at the same time that we commemorate our Lord's sacrifice and consecrate ourselves anew to His Kingdom that we also dedicate a portion of our incomes to His ongoing church," Reverend Pierce stated in making the announcement.

Dr. J. A. Evans, chairman of the official board, in a letter to the Methodist membership made public a proposed budget of \$5,220.00 for the church year and appealed to the members of the church, out of gratitude for God's abundant blessings to make regular weekly or monthly contributions for the work of the church.

## Kings Daughters Meeting Friday, Dec. 3rd.

The regular monthly meeting of the Bay Circle of Kings Daughters and Sons will be held on Friday, December 13th at 4 o'clock p. m. at the hospital.

Note the date: Friday, December 13 at 4 p. m.

## Farmer's Cooperative Creamery Closes

The Board of Directors of the Farmer's Cooperative Creamery of Bay St. Louis, voted on last Friday evening to close the plant following the delivery of milk on Saturday. It is unfortunate that this action was necessary. The creamery meant much to the dairy farmers of Hancock County and to Bay St. Louis.

The action of the Board was brought about due to the fact that the cash position of the Cooperative was such that it could not meet its obligations. The loss sustained in the operation of the business in the first year of its operation amounted to \$29,000.00. In the first two months of operation the loss amounted to \$11,000.00. This resulted from the fact that it was necessary to take the milk of a group of producers that had been cut off by other creameries before the plant was actually ready for operation, and the milk being disposed of at a loss.

The report of the auditors showed on June 30th 1946 that the actual worth of the association was approximately \$3700.00 and the actual worth on October 31st 1946 was \$5800.00, which showed a net gain of \$2100.00. The plant since July 1st, 1946 had been making money, however with the losses that had been sustained prior to that time, it was an impossibility to carry on, unless a reorganization was affected.

It was necessary that at least 250,000 pounds of milk per month be received in the plant to insure an operation at a profit, and the milk supply had dropped to less than 150,000 pounds per month. It had become necessary that milk be purchased from other sources, and with the cost and overhead expenses this milk could not be handled at a profit.

## RED CROSS NOTES

At a meeting of the women members of the executive Board of the local chapter of the Red Cross, held on Thursday last week, at the Courthouse, Miss Fay Bryan, Red Cross Field Director of the Veterans Hospital in Gulfport, gave a most interesting talk on the activities of the Grey Ladies Corps.

Miss Bryan issued an invitation to the ladies of Bay St. Louis and Hancock County, to visit the Veterans Hospital in Gulfport on Wednesday, December 11th, at which time a tour of the place will be made and a better understanding of the many ways these ladies known as the "Grey Ladies" bring sunshine and interests to our many boys, who served with their all, in the time of war.

The ladies of Bay St. Louis are asked to form groups from their respective organizations or if individuals would care to go, kindly contact Mrs. Leo Seal—164 or the Local Red Cross Office, 67, so that transportation may be provided.

500 very attractive nut cups with the Thanksgiving motif were made by the St. Joseph Academy Junior Red Cross members under the supervision of Miss Kathleen Renshaw, Junior Red Cross Sponsor and Sister Louise Raphael. These cups will be used at the table and on the many trays of those unable to go to the table for their Thanksgiving dinner at the Gulfport Veterans Hospital.

There will be a meeting of Community Service to Camps and Hospitals at the Veterans Hospital in Gulfport on December 4th at which time the Field Director of the Hospital, General Field Representative of this Area, Special Field Representatives will be present as well as representatives of all chapters of this vicinity.

37 educational gift boxes were shipped overseas to the children of War torn countries. These boxes had been taken and filled by members of the Junior Red Cross of a number of the rural schools.

Very generous donations of pecans were gathered and sent to our local Red Cross Office by Junior Red Cross members of Gulfview School under Mrs. Jeanne Williams and Mrs. Catheula Colored School, Rev. S. S. Bennett, supervisor. These will be used Thanksgiving Day for the Veterans at the Gulfport Hospital.

## Special Thanksgiving Services

Special Thanksgiving Services will be held in the different churches on Thanksgiving: First Baptist Church, 9:00 a. m.; Main Street Methodist Church at 10 a. m.; Christ Episcopal Church 9:30 a. m.; Our Lady of the Gulf Catholic Church, Masses 6 a. m.; 7:30 a. m.; 9:00 a. m. and 10 a. m.

The old "GI" chowline is being made easier for the boys from Hancock County who still wear the uniform. Yes, the men who control the bread-basket have gone all out for better meals for the boys.

## Enlistments in Regular Navy Again on Unlimited Basis

The local U. S. Navy Recruiting Station today received word from the Bureau of Personnel, Navy Department that enlistments in the Regular Navy are again on an unlimited basis, effective immediately, stated E. W. Rawkes, CEM, USN U. S. Navy, Officer in Charge of the Hattiesburg, Miss., Recruiting Districts.

Men who have passed their examinations and are at present on the waiting list are urged to call at the local Recruiting Station as soon as possible in order that their enlistments be effected without delay.

Trade Schools at the San Diego Naval Training Center have been given an expanded quota and at present about one third of the recruits are selected for schools upon completion of training.

Men enlisting prior to the late war is officially terminated and who serve at least ninety days on active duty, are eligible for the G. I. Bill of Rights in proportion to the length of time they serve during that period, if their discharge is under other than dishonorable conditions.

## Rocks Bow To Cadets

A greatly favored G. C. M. A. team invaded the local Rockchaws last Friday night to defeat the home eleven by a score of 6-0 in the closing minutes of the game.

The Rocks in their final game of the season made valiant attempts to score but to no avail. A long pass from Millette to Carrio in the second quarter was incomplete but was judged complete due to interference with the pass receiver and the ball was put on the Cadet 10 yard line. After three attempts to score Friis was forced to punt.

The visitors did not score until the final 5 minutes of the game when after a 25 yard jaunt, Reinike of Stanislaus attempted to lateral to Millette. The lateral was intercepted by Petrillo of G. C. M. A. who ran the ball down to the Stanislaus 11 yard line. Kittrell then moved the ball to the 1 foot line where the Rocks stellar forward wall made another of their famous goal line stands for three downs. The score came when Badrilleaux went over his own right tackle. The attempted conversion was no good.

With three minutes of playing time remaining the local eleven received the kickoff and made desperate last minute pass attempts to score, but with no results.

Outstanding for Stanislaus were Dacovich, Lachaussee, Millette and Reinike. Kittrell, McCoy and Barrilleaux played notably for the Cadets.

Score by quarters:

## FLEA-FLY FOOTBALL GAME THIS SUNDAY AT S. S. C. STADIUM

On Sunday, December 1, at 2:30 P. M. the Thirteenth annual Flea-Fly gridiron classic will be contested on the St. Stanislaus gridiron. Of all the football engagements played anywhere this spectacle of youngsters is one of the most thrilling. Every year tremendous enthusiasm is built many weeks in advance of the game. In fact, it has grown to be one of the major football attractions along the Gulf Coast. Parents and friends of the students come from all over to witness the spirited play as these baby gliders put on a football show that rivals anything of its kind in the country. If you want your money's worth be sure to make a date for the Flea-Fly classic on Sunday afternoon.

This year's Flea-Fly personnel numbers many players. Brother Leonard who has handled this spectacle for many years has divided them into squads consisting of four teams each. No player weighs over 100 pounds which is the maximum set by Brother Leonard. The players come from St. Stanislaus and from the St. Joseph's Academy.

A big coaching staff is necessary to handle this large group of players. Headed by Brother Leonard who is the Major-domo of the entire affair he also has many capable assistants. From here on out those mentors will concentrate on a strategy of baffling reverses and intricate plays calculated to demoralize the opposition.

Whatever money is collected from the sale of tickets for this game goes to a most worthy cause—to swell the amount of Brother Peter's Christmas Tree Fund for the benefit of the hundreds of poor children in this section. The price of admission will be 25 cents and 50 cents for children and adults, respectively.

Everyone is urged to buy a ticket not only for the sake of the game which is worth even more as pure wholesome entertainment but also for the purpose of making the Christmas party for the under-privileged a grand success.

The Bay St. Louis High School Band has agreed to play for one of the squads, the Fleas. The Fly team will have the support of the Stanislaus Band. Both Bands will perform at the half of the game.

The Flea-Fly squads are as follows:

Fleas—Squad 1—P. Palermo, G. Gearhead, A. Ranson, H. Gex, C. Barre, R. Simons, T. Stummel, C. Lewy, M. Burke, R. Rhodes, J. Caruso, E. Angelo, B. Stieffle.

### Home Agent Notes

Don't let those pecans go to waste! Just because they are scarce this year is no reason why we should not "fool" with them. You don't have to pick them out, soak them overnight or for 6 to 8 hours in a salt solution. Use a half cup of salt to 3 quarts of cold water. Drain and crack in the usual way. You will find that now it is quite easy to remove the nuts whole or in halves.

If you have a home freezing unit or a locker at the community frozen

locker plant, you may like to freeze them. Or, perhaps you don't want to take up too much space in your locker and want to can them. Either way, they will keep perfectly and you can count on having those ever-so-good pecan pies and all the other good things to which pecans give a special emphasis. Here are the directions for preparing.

#### Freezing Pecans

Spread out shelled nuts in a warm place. Avoid scorching. Sort, discarding any discolored or imperfect nuts. When cool, pack in cellophane bags, press out air remaining in bags. Heat seal bags and place them in cartons.

Quick freeze at community locker plant or in home unit. For home use it is convenient to seal one cup of nutmeats in each pint cellophane bag. Put two bags in each pint carton and four bags in a quart carton.

#### Canning Pecans

Dry out shelled nuts in a warm place. Avoid scorching. Sort nuts, pack nuts in glass jars. Have jars hot, dry sterile. Use vacuum type seal—either glass or metal. Cover nuts with piece of crumpled parch-

ment or cellophane paper. Arrange paper to keep away moisture from nuts.

Adjust lid according to type. Screw band until firm then loosen slightly for glass Mason type. Leave second wire bail up on glass exhibit type.

Place on rack in cooker. Have water 2 inches deep. Follow instructions of manufacturer. Being to 5 pounds pressure in cooker. Release steam immediately in pressure cooker. Remove jars from cooker. Push down ball on exhibit, top; screw band firmly on glass Mason type. Do nothing to two piece metal top. When cool, remove band and store. Select cool, dry, dark place with even temperature for storage.

#### Plant Sweetpeas Soon

December is the best month to plant annual sweetpeas. Plant in trenches 8 to 10 inches deep in well drained location. Cover seed with an inch of soil when first planted. As seedlings appear above ground pull more soil into trench gradually until trench is filled. Do not cover the growing tips. The plants should stay above the soil as it is pulled into trench. In the event of extremely cold weather cover the plants with hay or straw during freeze.

#### New Bulletin

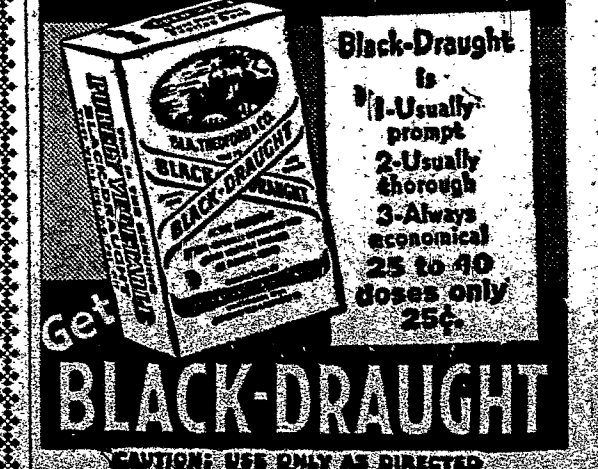

Ask at the home office for a copy of Extension Service Bulletin 138, "Freezing Farm Foods for Home Use." This 32 page bulletin contains information on types of home refrigerators and freezing units. It tells the containers, wrappings, labels and other equipment you need in freezing foods. The best varieties of fruits and vegetables to freeze are listed, along with directions for preparing them for freezing. The bulletin also contains selections on freezing poultry and farm meats and on thawing and cooking frozen vegetables, fruits and meats.

#### NOTICE OF ELECTION BOND ISSUE FOR CLERMONT HARBOR SCHOOL

Notice is hereby given that in pursuance of a resolution adopted by the Board of Supervisors of Hancock County, Miss., at its October Meeting, 1946, a special election will be held at the voting place of the Clermont Harbor School district, according to law, on Saturday, November 23rd, 1946 to vote on the question of whether or not the said district shall issue Clermont Harbor School District Bonds in the amount of \$17,000.00 (Seventeen Thousand Dollars) for the purpose of providing funds to erect, repair and equip a school building in the said Clermont Harbor School District, all as provided for by law.

## Veterans' News

More than 12,000 veterans training in Texas, Louisiana and Mississippi are currently suspended from Veterans Administration subsistence rolls for failure to report their earnings.

Subsistence checks ordinarily mailed to veterans the first of every month will be held up until the required report is submitted to the proper VA regional office, VA officials said.

Both veterans in training and educational status must report their earnings from productive labor for of August, September and October.

Forms have been mailed to all veterans on the suspended list, but if these have been misplaced, the report on earnings can be made in a letter over the veteran's signature.

Under legislation passed last summer, veterans' payments and earnings are limited to a total of \$175 monthly for those without dependents and to \$200 monthly for those with dependents. In the event those figures are exceeded, the subsistence allowances must be reduced accordingly.

VA officials believe most of the reductions will be made in allowances to veterans taking on-the-job training. It is believed that only a few veterans in educational status will be affected.

### QUESTIONS AND ANSWERS

Q. What is the difference between compensation and pension?

A. Compensation is a term used to describe monetary benefits payable for service-connected death or disability under laws administered by Veterans Administration. The term "pension" is used to describe non-service-connected monetary benefits.

Q. Is a widower of a "World War II veteran eligible to receive compensation or pension?

A. No; the term "widow" does not include a widower with reference to payment of compensation or pension based on the death of a World War II veteran. However, a widower is eligible to receive unpaid disability compensation or pension which accrued prior to the death of a woman who had served in the armed forces in World War II.

Q. How do I go about filing a claim for pension on the death of a veteran who was my sole support?

A. You should file your claim for pension with the Veterans Administration on its Form 535.

Q. Will various monetary benefits received by veterans under the G. I. Bill be deducted from future bonus?

A. No, that portion of the Servicemen's Readjustment Act (GI Bill) which formerly provided that any benefits received under the Act would be deducted from any future bonus authorized has been repealed.

Q. Is it possible for a veteran to complete his elementary school under the Servicemen's readjustment Act?

A—Yes. Q. I am receiving retirement pay and wish to take up training under the Servicemen's Readjustment Act (GI Bill). Is it possible for me to receive subsistence allowance while receiving retirement pay?

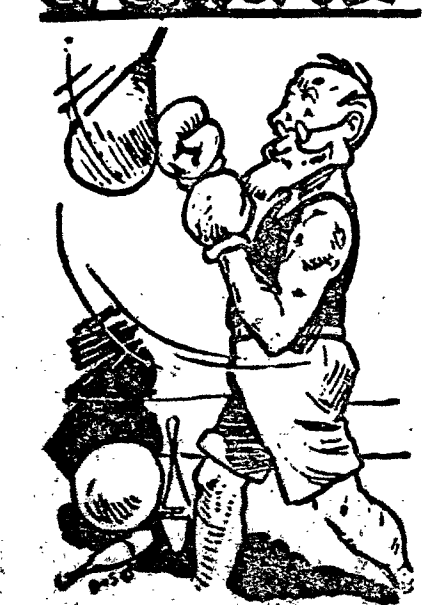

A. Yes.

This famous band, kept intact after the death of the world famous Glenn Miller by Tex Beneke, rendered songs it had made famous.

Bay High School will get two days off for Thanksgiving, in addition to the regular holidays, Saturday and Sunday. School will be dismissed Wednesday at quarter to four and will reassemble Monday morning at nine o'clock.

The Bay Hi Tigers ended the football season when they went to Pass Christian to meet the Pass High Pirates. This game was attended by a large homecoming crowd from Pass Christian, and a substantial group of rooters from Bay Hi. Both teams battled from the beginning to the final whistle with the Pirates coming out on top by the margin of 13-7.

Pass Hi was the first to cross the goal for pay dirt when McDonald plunged through tackle for a touchdown. The Tigers came back strong and a pass from Green to Brockman tied the score. Chiniche went over center for the extra point, and Bay Hi led 7-6 at the half.

During the half Bay Hi's band led by its snappy drum major, Helen Sinclair, performed on the field, and the football queen of Pass Hi was presented to the Pirate captain.

The second half went scoreless until the last few minutes of play when McDonald again went over for a touchdown and as the final whistle blew, the score was Pass Hi 13, Bay Hi 7.

Jean Pritchard had a get together at her home in Waveland Saturday night. The gang made fudge which had to be eaten with a spoon, but was still delicious. Some of the guests who weren't making fudge decided to have a ping pong contest in which Ott Brockman and Andy Gray tied for championship. Those

From where I sit... by Joe Marsh

#### A Lesson In Conservatism

We were sitting on Bill Webster's porch the other night, chatting over a glass of beer—when the talk turned to forest preservation, soil erosion, and other things that affect a farming community.

Judge Cunningham speaks up: "It's all right to worry about conserving our natural resources," he says, "but there's a far bigger problem when it comes to conservation—and that's preserving our democratic way of life, our sense of personal freedom, our respect for one another's rights."

From where I sit, the Judge is right. All America's great resources, our abundant natural wealth, are lost the minute we lose the right to work them as free people in a free land!

Whenever you see or hear of an encroachment on our rights—whether it's the right to free speech, or the right to vote as we see fit, or the right to enjoy a friendly glass of beer in licensed, law-abiding places... watch out!
